

## FEATS – "BEST ACTOR"

As you know the play "Feeding the Ducks" by Michael Park, directed by Diana Zuger, was our contribution to the Festival of European Anglophone Theatre at the end of May in Antwerp this year.

We are delighted to announce that Michael Clark was awarded "Best Actor", by the adjudicator and panel of judges, for his role as the educationally challenged Billy. The magnificent performance of Stephanie Nemeth-Parker, and the help and encouragement of the technical team made this production so successful. Congratulations to one and all!!!
