ALFRED DOOLITTLE
(Bryan Taylor)

"It's almost irresistible. She's so deliciously low-
so horribly dirty."

"Ah-ah-ah-ah-ow-ow-oo-oo!!! I aint dirty:
I washed my face and hands afore I came, I did."

"Have you no morals, man?"

"Can't afford them,
Governor. Neither could
you if you was as
poor as me..."

"So you came
to rescue her
from worse than
death, eh?"

"... She said she didn't
want no clothes. What
was I to think from
that, Governor?
I ask you as a parent
what was I to think
from that, Governor?
I ask you as a parent
what was I to think?"
